## **2019-2020 Candidates Fair**

*Greetings  
.....from the vineyard.*

It is exciting to look out over the sprouting vines, growing quickly with the heat of late. It reminds me that the cycle always starts over and there is fresh energy in the new year. It is how I feel about approaching this next year. While last year was an incredibly good year, who knows what the next will bring?

For those of you who attended convention, I'm sure you agree with me that it was a great convention. Nancy presided as always with grace and humor and the gals from Eugene did an incredible job of putting this together. Nancy will be a hard act to follow!! And I think we all had fun. There are so many folks in the state that are just fun to be around.

One of my goals this year is to encourage more people to attend our meetings. My board and I are going to try to find something that will make it worth the effort to travel, spend that money, and give the time to share fellowship with each other. Perhaps we can even learn something new and of course we will have fun. I'm also making a commitment to TRY to visit every chapter or district. Not sure how close I will come, but will give it my best. If your chapter would like a visit sometime, send me your meeting schedule and dates of any cool events you sponsor. I want to especially get to the far away chapters who have to travel the furthest to the valley.

Lastly, if you have any concerns or ideas about any of our policies or procedures, please let me know. Kathy State and her committee are working with me to try to be sure all guidelines are up to date in everyone's books/boxes. We are also making sure there is clarity in instructions. Again, now is the time to weigh in if you have ideas. Especially those of you who have held an appointed position and thought something should be changed. Kathy is doing a great job and is working this summer toward this goal. I so appreciate her.

I wish everyone a great summer. I look forward to Leadership in Grants Pass at the end of Sept. Hope to see you all there.

*President Marsha*

**Editors Note:** Marsha's complete Executive & General Board list is included.

From your 1<sup>st</sup> Vice President –

If someone had asked me five years ago would I consider running for the Board, I would have said, “AAAACKKKK! “ and “Absolutely not!” But here I am today all of a sudden in the position of First Vice. Where did the time go? How did I end up in this position? YOU are the answer! Your encouragement, your support and the gentle nudges (ahem..) from certain Past State Presidents. (You know who you are!) So I am taking my own advice as past Workshop Coordinator: “Just Breathe” and “Enjoy the Journey.”

My job as First Vice is MEMBERSHIP! So many of our longtime members have passed away or are too ill to continue being active. We have those longtime members to thank for building a solid foundation of this wonderful organization. It gives us the opportunity to serve others, to learn while researching educational programs, and to do it all in the circle of loving sisters and members.

We need to continue to build our membership. Think about why you joined, and why you are staying year after year.... Yes, why?

..... to be continued in the September Oregon Grapevine!

From your Corresponding Secretary –

Today is a day to celebrate! We must have set a record, because as of now (May 25th), I have received all of the chapter rosters! To those of you who are responsible for the rosters, I can't thank you enough for being so cooperative and helpful. Of course, there may be a few tweaks to be made but I am so relieved that this much has been accomplished.

The only thing I ask from all of you now is that if you move, change your phone number, or email address (or spouse), that you let me know before this President's Book goes to print in September.

In the meantime, you can color me happy, and thank you again!

*Joy Serkowney,*  
Corresponding Secretary

From your Treasurer –

Chapter dues and rosters have been flying into my mailbox! Keep them coming. Chapter dues for the new year were due by May 1 and become **delinquent by June 15**. Please include a copy of your chapter's membership roster with your payment of dues.

Mail them to me at – 580 S Court Ave, Burns, OR 97720.

For new members to be included in voting at State meetings, their dues must be paid by the chapter to the State Treasurer at least 21 days prior to State meetings.

A Reminder for Chapter Treasurers don't forget to let the State Treasurer know if you lose members or gain members during the year as this information is needed for Credentials at each state meeting. You can email these to me at [swann.m@hotmail.com](mailto:swann.m@hotmail.com) or call me at 541-589-1857 or send them to my address listed above.

Thanks for all you do!

Melanie Swann

From the Junior Past President  
Disaster Chairman – Nancy Reid

Wow! What an incredible week-end in Springfield. It was so much fun - from the 'Miss ESA Beauty Pageant', where there were truly some of the most beautiful women I have ever seen, to the workshops by Linda and Robin, which were very entertaining, the beautiful Installation ceremony given by Lani, unique and 'light' hearted, to the fun social presented by Carolyn. It was awe-inspiring to listen to all of the awards given and the service pins members received.

I forgot to publicly thank my wonderful Appointed Board for their hard work. At the beginning of last year I hardly had any positions that were opened. Thank you for making that process so easy and for working so hard, quietly doing your job. I really appreciate you all.

Convention was a perfect ending to a perfect year. I'm very excited about this coming year, and I'm excited about preparing some fun baskets (think paper products and wine) for Leadership and Winter Meeting. There should be at least two baskets at each meeting to be raffled and, hopefully, they will bring some hope for people who could really use it.

Thank you again to WVDC for the amazing job you did putting Convention together, making everything run so smoothly, and looking like it was a piece of cake and you were having a ball.

I am looking forward to seeing everyone at Leadership in Grants Pass. Until then, keep smiling.

Love,  
Nancy

### MUSINGS FROM THE Convention CO-CHAIR

I asked to be involved in the planning of the State Convention. It seems that I don't get smarter as I get older!! It was quite an experience and I hope I never have to use the information in the future. Boy, what a job and I am in awe of Su McDonnell and Sandy Diess. They are organized!! I am in awe of anyone who takes on the task of planning a state event.

In January due to circumstances already known, I was asked to do Marsha's installation which was well received and funny (as I'd hoped) but I made an unfortunate omission. I forgot to mention that the honor guard was made up of members of Delta Gamma, which is Marsha's chapter. We were all excited to see so many members from DG and hope that I am forgiven for the hiccup.

Epsilon Theta, Delta Gamma and Omega Mu did an outstanding job with their various functions. Thank you all.

I must say that it took over a week to recover but I am all better now.

Co-co-chair

## ESA FOUNDATION

I am looking forward to learning more about the foundation and how I can help. I have some big shoes to fill, Claudia has done a super job. I know she will help me with all my questions this year.

Just a reminder about donations for the ESA **Fun Fest** IC Convention which will be held in Memphis, July 16. 2019.

You can still send cards or money to Claudia for the purse to be auctioned off that evening. Check out her information below.

I am looking forward to going to I.C. Convention this year and visiting St. Jude's.

I hope everyone has a wonderful summer.

Take care. Hugs to all.

*Barb Moss*

## ESA **FUN FEST** IC CONVENTION

The Oregon Purse has a history. The ESA Foundation **FUN FEST** is held each IC Convention on Tuesday night of the Convention week. The Oregon Purse is filled with gift cards that can be used nationally and money.

We have the purse and some donations given to me at State Convention. But I need more donations to make this work. This purse goes into the Oral Auction held at the end of the evening and usually is sold for top dollar. We could use a few more gift cards and/or money.

Please sent your donations for this to;  
Claudia Hale, 4275 SW River Road, Hillsboro, OR 97123

Thank you very much.

Are you an ESA Foundation member? No?  
Have you thought about becoming one?  
Or even a Life Member? It's easy to do!

## Hope for Heroes

Thank you all for your support of our veterans during the 2018 - 2019 season.

Whether you collected socks, helped with a Stand Down, visited a Veteran's Home or the V.A. Hospitals, it all matters and they are so appreciative. I am hoping that those who got socks from Bomba's at the state convention have been able to distribute them to veterans around the state.

Also a big THANK YOU for those who bought tickets on the basket for the Patriot Riders. A total of \$280.00 was raised for their ride to accompany the Patriot Cart built and paid for by Alaska Airlines to Phoenix. Then many made a trip on to Washington D. C. with the Ride for the Wall. Thousands made the trip on cycles to pay honor to those who have died or remain missing.

May we never forget their sacrifices for our freedom.

## Hope for Hero's Chairman

# Chapter Chats –

## Alpha Lambda – Medford

Before the end of the 2018-19 year, we managed to have almost all of our members at our May business meeting. We missed Virginia because she went to CA to visit her children and grandchildren. Our Educational meeting was held at Sherry's with pie and coffee. This was a catch up meeting to hear what Linda Roadman and Diane Yarrish had been up to during their months away from us. Linda and her husband, David spent December through April in Arizona. Diane and husband Art traveled in their motor home March and April to many places with Diane's brother and his wife in their motor home. They all had a great time. It was good to have them back and we enjoyed hearing about all their travels.

Alpha Lambda chapter had a busy time since the last Grapevine. We had a Valentine's Day luncheon at Black Bear and a dinner for St. Patrick's Day at My Four Daughter's. We are now planning for a barbecue when the weather settles down.

The Southern District Meeting was held in February at The Meadows in Central Point. This was Shirley Reese's final meeting as our President. She did a wonderful job of being President. We had Installation of Officers: Diane Yarrish, President; Bonnie Cook, Vice President; Shirley Reese, Secretary; Norma Pittman, Treasurer; Tallie Lastiwka, Parliamentarian. Lynn Hughes was our Installation Officer. Outstanding members were: Ellen Ellis, Gamma Beta and Tallie Lastiwka, Alpha Lambda Chapter. Alpha Lambda served lunch and we had a great afternoon.

The following week we had the St. Jude Radiothon at Q100.3. It was very successful and we were excited to be a part of supporting the Kids at St. Jude, the radio station and all the people involved.

Our chapter did tray favors for all special occasions and delivered them to Avenmere Rehab.

We completed our Educational's and the report went in as well as the Philanthropic report prior to March 31st.

We were saddened to not be able to attend Convention. This is always the frosting on the cake at the end of the year. Next Year we hope to be there. We will be at Fall Leadership in Grants Pass.

On June 1st, Southern District will celebrate our ESA Founder's Day with a lunch at Elmer's in Grants Pass, hosted by Gamma Beta.

This summer we will have a special celebration. Mary & Orville Wagner will celebrate their 70th Wedding Anniversary on July 1st. This is a real mile stone anniversary. If you want to join us, send cards to:

Orville and Mary Wagner, 1601 Gayety Lane, Medford Oregon 97504.  
Or email: [marywagner55@gmail.com](mailto:marywagner55@gmail.com)

We hope all of you have a wonderful, restful summer so that you will be ready to start another year in September.

## Alpha Zeta – Eugene

The past few months were very busy for Alpha Zeta and WVDC as we were putting the final touches on the Oregon State Convention. As the Chairperson and 2 co-chairs were from Alpha Zeta, most of the action happened here in Eugene/Springfield. We were lucky for have a fantastic venue for the convention right off the freeway, so everyone had easy access and the staff was helpful, considerate and VERY polite.

*Thank you, Hilton Garden Inn.*

We had a number of work parties to wrap door prizes, fill goodie bags and just generally getting ready. Are we glad we did it? **YES!** Are we glad it's over? **YES, YES, YES!!!** We received many accolades and we are very grateful for them. Now we are getting ready for the new year under President Marsha Klosterman. We are quite sure she is going to keep us busy.

We continue to collect coupons for **Hope for Heroes** and pull tabs for dialysis. We, also, continue to volunteer monthly at **Bags of Love**. **Bags of Love** recently received a national award from the **FBI**. Bags are given to women and girls who have been rescued from sex-trafficking in coordination with the **FBI**. The award given to **Bags of Love** was one of 56 given nationally. We are proud to be involved and appreciate all the yardage and stuffed toys, etc. that have been donated from all over the state. **Oregon ESA** in action! We have chosen a theme for next year's educationals and we already have one scheduled this summer. Maybe more will be done during the break to alleviate the push prior to March 1.

Again, thank you for your attendance and compliments for State Convention.

# A National Honor for Bags of Love

Bags of Love Executive Director Becky Stenzel accepted the FBI's **2018 Director's Community Leadership Award** (DCLA) on behalf of BOL last week in what she described as "a very moving experience." Bags of Love was among the 57 individuals and organizations recognized this year at the FBI Headquarters in Washington, D.C., for "meeting a need, answering a call to serve, and working to make communities safer and stronger." The DCLA is **the highest civilian award given by the agency**, and every year, each of the FBI's 56 region field offices and the the Bureau's Criminal Justice Information Services Division selects a recipient. We were honored to be chosen this year by the Portland office.

FBI Director Christopher Wray presented the awards, noting that "You've identified some of the toughest problems that are out there. And you haven't waited for someone else to fix them." His comment that **"You're showing people kindness when they need it most"** especially resonated with the spirit of Bags of Love. You can read more about the awards and the other recipients on the FBI website [here](#), and view a short video about the DCLA [here](#).

Special Agent in Charge Renn Cannon, whose division nominated Bags of Love, observed that the award was given "in recognition of the many years of service the non-profit has given to thousands of Oregon's most vulnerable children" and that it has been "an honor for the FBI to partner with Bags of Love over the course of many years." Cannon appreciated the attention to detail our volunteers put into crafting bags filled with comfort items and necessities for children in crisis. **"These bags allow the donors and volunteers to give a child dignity while giving law enforcement officers a chance to building trust with those most impacted by trauma."** Cannon and Community Outreach Specialist Antonia Fabian Kreamier, both from the Portland FBI office and pictured below in the top center photo, both flew to D.C. for the presentation.

**"This award belongs to ALL the people with huge hearts behind the scenes at Bags of Love,"** says Becky Stenzel. "We have such an amazing team of dedicated, kind, and talented volunteers and staff, and a generous community that supports our work.

See more photos below from Becky's trip to Washington, D.C., with Warehouse Manager Annette Briekse and Office Manager Karisa Ockander.

## Beta Eta – Sutherlin

Beta Eta Chapter spent several hours making potato salad and serving at the Sutherlin Public Safety appreciation event, we honor police, fire, and all first responders.

Just a way to say thank you to our hometown heroes.

Beta members: Jo Rochester, Margie Creacey, Joanne King, Darlene Handy, Pam Hughes, Susan Akre, Connie Russell.

## Beta Iota – Roseburg

What's happening in the neighborhood???? Just wanted you to know Beta Iota had a great year!

We started with serving coffee, tea, and hot chocolate at the Veteran's Day Parade in Roseburg. It was a cold, but sunny day and many people left donations for our **Hope for Heroes** project. Later in November, just before Thanksgiving, we sold tickets and held a drawing for seven gift certificates from our local **Shari's Restaurant**. Shari's donated three gift certificates and we purchased the other four. The money went into our **Hope for Heroes** budget. In May, the monies were sent to the local **VFW** Post to assist with the cost of burial for 28 abandoned and forgotten soldiers' remains: the remains ranged from WW I to Vietnam service personnel. Our **Hope for Heroes** donation was made in May due to the difficulty getting the remains released from the funeral home they were stored at. These forgotten heroes will finally get their resting places.

Our **Choctober Rush Program** at Carolyn Warren's residence had four guests and even though no one joined, two of the guests Carolyn invited are still interested in Beta Iota for next year. Joanie Chamber's guest declined to join, but attended our April Paint N' Pour for **St Jude** and a Mystery Dinner night out Jenni Dickinson, at the Grand Victorian in Myrtle Creek. Exciting sharing ESA with these ladies!

Beta Iota's Christmas Social and Secret Sister gift exchange was at Joanie Chambers' residence. She treated us to a yummy variety of finger foods. In this hectic time of year, our members had an enjoyable, fun and relaxing time!

The weekend before Christmas, we wrapped packages for two days at **Fred Meyers** for donations. It was a successful Ways and Means project and everyone enjoyed the holiday atmosphere!!!! We had three volunteers, two granddaughters, and one spouse, Don Barrett, as well as Beta Iota members wrapping packages! What a lot of fun!

February was a very interesting month for us! It started with a **Facebook** meeting due to members with flu and colds, but later we did meet for our Outstanding Member Recognition dinner with our spouses. Jenni Dickinson was very surprised to receive the award! Beta Iota helped Douglas District Council host the Oregon State Council Winter Meeting. The Emoji Hunting in the town of Sutherlin was especially enjoyed by all attending members!! After that, we had a Paint N' Pour scheduled for the next Saturday, but the weather had other things in plan for us!!

**Outstanding  
Member**

## Beta Iota – Roseburg (continued)

Then came March..... We completed a fun and successful Paint N' Pour for **St Jude**. Guests enjoyed painting their "Faith, Family, Freedom" on their canvases! Four people, unable to attend, donated their monies to **St Jude**. Bless them and the attending guests for their generosity.

In April, Beta Iota participated in the **Easter Seals Bloomfest!** Besides tulip sales, several additional donations were made to **Easter Seals of Oregon**. Several of our Philanthropic Projects actually occurred after the April 1st deadline, but an amended Philanthropic Report was mailed in May to Oregon's Philanthropic Chair, Jerri Fine, to be included in her IC Report.

On the Saturday before Mother's Day, Beta Iota's members and friends ran a food concession at the **Umpqua Community Plant and Craft Sale**. Chair Joanie Chambers did a wonderful job organizing this event for us!! The day was a great outreach opportunity with the community as we were able to talk to a lot of people about ESA!!

## Delta Epsilon – LaGrande

May 11 was Delta Epsilon annual Yard Sale.

This year we sold \$837.54.

Not too bad for a bunch of junk...its true someone's junk is someone's treasure

## Delta Kappa – Hood River

WOW, we just left convention and here it is our year-end.

Happiness is “ESA” was the best for our Nancy which all enjoyed.

We are finishing up our year with a Breakfast for Installation of elected Officers. President: Tami Arthur, Vice President: Martha Hoskins, Treasurer: Penny Phelps, Secretary: Beth Wright (Beth is one of our new members), Educational Director: Dorothy Stearns

To sum up the last 3 months we’ve been busy gals. We did our Foster A Cake, which supports **Easter Seals**. At our Business Meeting we pass the BOX for **St Jude** and are surprised how much we come up with each month and for the year. Our Quilt raffle goes to support **St Jude** too.

We had 25 applications from Hood River High School for the scholarship committee go over and choose our winner(s). This also included the Columbia Gorge Community College.

Our Spring Fling Bingo was a great success and all had **FUN**. It’s always great to have other chapters come to Hood River. Delta Xi and Alpha Upsilon are the greatest supports of our Bingo and they are appreciated, along with all who attend. This is our 8th Year.

**Blossom Fest** with lovely Tulips was a great hit this year as we got them at Easter Time. So many colors to enjoy.

We celebrated Penny Phelps retirement, which she can come to daytime meetings. **YEA!** We installed 3 new members this year, which is plus for us. We now have 13 members.

DK’s Outstanding Member was B.G. Brackman and she also received First Place at convention with her Rushing Report. Membership was her theme and created “Friendship to Go” Kits to give to those interested in ESA.

Educational this year was on “The Crown Jewels of the Columbia Gorge”. Members chose from: Parks & Playgrounds, Trails & Hikes, Plants, Flowers & Trees, Museums, Dams, Wineries, Art Galleries, & Places of Interest, so much more. We all rediscovered the Beauty, Wonder & how Awesome the Gorge really is.

Delta Kappa is very proud of Debbie Sanguras being the Oregon State 2nd Vice President and **by the way Northwest is in charge of Convention 2021.**

**Editors Note:** What’s in the “Friendship To Go” kits? Inquiring Minds Want to Know 😊

## Delta Xi – Portland

On March 2nd Delta Xi held their annual dinner and auction. The food (taco bar) was fantastic and enjoyed by all. The auction again was a huge success and increased our ability to continue the philanthropic projects we do for the community, **St Jude's Children's Hospital**, and **Easter Seals**.

We attended our NW District meeting, held at McGraths in Beaverton. Our speaker for this event was from **Easter Seals** and spoke of the Tulip Sales project where we then sold tulips in April at **Providence Hospital** and **Fred Meyers**. Our ladies were again busy in April serving lunch along with homemade desserts to the folks at ILR - **Independent Living Resources**.

We had a fantastic time at the State Convention in Springfield/Eugene.  
**Congratulations** to our new board and committee members.

On May 4th we held our Plant sale pick up, where previously sold flower and vegetable starts were picked up by customers that purchased them in early April. On May 14th we held our installation luncheon at Spaghetti Factory where new officers were installed and our guests included members from the Hood River and Hillsboro chapters as well as prior Delta Xi members. New officers include Pat Stupur - President, Jill Holden - Vice President, Mary Lambert - Treasurer, Chris Dole - Recording Secretary, Margaret Dragoon - Corresponding Secretary, Ann Widick - Educational Director, and Karen McNeil - Jr Past President.

We attended North West District Council meeting where new officers for the coming year were installed. Several members attended the Easter Seals Volunteer luncheon where we received an award for our participation in **Bloomfest**.

Our summer will include more volunteer opportunities for us and we will do some planning for the upcoming year at our next meeting in June.

Cheers from Delta Xi

## Delta Gamma

Delta Gamma has been very busy these the last Grapevine. At our April 1<sup>st</sup> meeting we installed the new officers: President Jan Galbraith, VP Julie Rassmann, Janet Huston Recording Sec, Ellen Henson Corresponding Sec, and Jane Yecny Treasurer. But the all time biggie was getting ready for Oregon State Convention and the installation of our very own Marsha Klosterman as President.

We had a wonderful turn out of our members to support and have fun with Marsha. We had a great time from the Friday Night Mixer to the installation and enjoying each other afterward to the finale day on Sunday.
