Oregon State Convention 2016

Welcome from President Kaycee Headley

Welcome to the Oregon State Council of Epsilon Sigma Alpha's 70th annual Convention! I am so pleased to be back in Canyonville at Seven Feathers. Southern District members have been busy planning our convention for years, and I am excited about all the fun things we have planned. On Friday, we will express our Love of the Arts. Be sure to meet the candidates for next year's executive board at the mixer and stick around for some fun and games for a great cause. You won't want to miss the Association of the Arts display- don't forget to vote for your favorite! Saturday brings the opportunity to reflect upon our very successful year, and to hear about more opportunities to put our work boots on! And of course, we will feel the Aloha spirit at our Installation Banquet. And on Sunday, we will remember those we have lost and bring our year to a close under Lani Shimer's fantastic new leadership. I can't wait. Please join me in extending a special Oregon welcome to our International Council representative, Kim Kummer. We are very lucky to have her here! We are also grateful to be joined by representatives from ALSAC and Easter Seals Oregon. I'm looking forward to hearing more about ways that Oregon ESA members can be of service. Special thanks to convention co-chairs Lynn Hughes and Jeannette Rhodes for putting this all together and keeping me on task. I'm looking forward to a special weekend. I've had a great year as Oregon State Council President, and I can truly say that I

Ramblings

Hello Oregon ESA Family,

What better way to celebrate the end of the 2015-2016 Oregon ESA year than to be with friends who enjoy having fun and sharing their passion for ESA. Serving as your International Council President has been an opportunity that I will never forget and I thank each of you for allowing me to serve you.

What a fantastic weekend you have a head of you. Wish I could be there. President Kaycee chose “ESA is Love~ With Work Boots On” as her theme this past year. Work boots come in all makes and models. You have your basic Dexter Men’s Tactical model, the Wolverine Moc-Toe, Men’s Timberland Pro Boondock 6” Comp Toe Work boot and my favorite Ariat Men’s Workhog 11” Steel Toe Work boots. Lest we forget there is also the Nike FS Lite Run 3 Running shoe, Toms Del Rey Dusty Rose Boucle Women’s shoe, Liz Claiborn Iris Flats and the very popular Jessica Simpson Cassini Pump. This weekend is your opportunity to acknowledge and brag about how those “Work Boots” have helped you to accomplish all that you have done in the name of ESA. So do it!

I know that your IC Representative Kim Kummer will convey the IC Board’s heartfelt thank you for your service to ESA. Remember we are here to help and support you as you continue to touch the lives of others by sharing our Ideals and Purposes.

As you celebrate your accomplishments this weekend please take time to thank President Kaycee. Survival of ESA through the years is due to outstanding leadership and to the courage and strength of our members and their willingness to be of service. Kaycee and her Board are to be applauded for accepting the challenge to keep ESA alive and well in Oregon through their leadership.

I look forward to seeing all of you in Loveland in July. Take care, enjoy and ESA hugs to you all.....Rickie

We all have gifts to share...

Hope is a gift like any other

Welcome from IC Treasurer Kim Kummer

Hello Oregon ESA and welcome to your annual state convention! I am honored to join you this weekend, in Canyonville, as you celebrate **Love What You Do**.

On behalf of President Rickie Brown and the IC Executive Board congratulations on a wonderful year! There is much to celebrate with your many accomplishments in your chapters, districts and at state meetings as you have embodied Kaycee's theme **ESA is Love ~ With Work Boots On**.

I feel fortunate to have met many Oregon members over the years at IC Leadership and when you hosted the IC Convention two years ago (what an amazing week!). But I am thrilled that I have the opportunity this weekend to make more lasting friendships. I encourage you to continue supporting the important causes in your communities and sharing ESA with others. You never know who may be your next pledge and what they could bring to ESA. This weekend is a perfect time to reflect on the good works accomplished, the good times enjoyed, and good friendships. You each bring your own attributes to this amazing organization but when combined together

Hope Abounds in ESA.

#My ESA Gift Is..._____ (fill in the blank)

Enjoy the weekend and if I haven't met you yet, please come find me so we can become new friends.

ESA love & hugs, Kim
