(Welcome)

Aloha!

Welcome to Pendleton and Oregon's 2017 State Convention!! We're all in the mood to celebrate after a long, long, long winter. Eastern District has been working very hard to make sure that happens and that everything is in order.

Sandy Alexander, IC 1st Vice President-President Elect, will be gracing us with her presence. With the help of Su, Jill Rankin and Kaycee, she will be presenting a workshop which was presented at IC Leadership. We are extremely happy to welcome her to Oregon.

'Judge' Debbie (Sanguras) will be holding us accountable for our interactions with fellow members. Do we make them feel appreciated? Do we work well with others? I understand warrants will be issued. Be afraid.

David Blacker, Executive Director of Death Valley Natural History Association, will speak to us about our National Parks. We are privileged to have him here to speak to our organization as this is a follow-up to Debbie's presentation at Leadership regarding the 100th anniversary of said parks.

The weekend is jam-packed with fun, business, awards, ceremonies and workshops. We are "*Celebrating Oregon's Luau*". I look forward to seeing all of you.

Aloha and Mahalo

Hello Oregon ESA!

Welcome to your annual state convention! What a wonderful way to celebrate the end of the 2016-2017 ESA year by being with friends who enjoy having fun and sharing their passion for ESA. Serving as the International Council President has been an opportunity that I will never forget and I thank each of you for allowing me to serve you.

I want to take the time to wish each one of you a wonderful state convention. This weekend is a time to reflect and celebrate all the accomplishments that you achieved and the “Big Dreams” that have come true. You have shared fun and laughter while touching the lives of so many others along the way.

I wish I could attend every convention but I know that your IC Representative, Sandy Alexander, will share the IC Board’s heartfelt thank you for your service in ESA. Your State President, Lani Shimer has led you well though this year. Please take time this weekend to thank her for her leadership and service. Lani and her Board are to be applauded for accepting the challenge to keep ESA alive and well in Oregon through their leadership.

Continue to reflect on Lani’s theme “ESA – No Ka ‘Oi (None Better)” as we continue to “Dream Big in ESA” and I hope to see you in St. Louis in July.

Always,

Sherry Day

International Council President

Sandy Alexander

International Council 1st Vice President/ President Elect

I was born in Missouri and raised on a farm in South Dakota. After graduating from high school, I attended the Medical Institute of Colorado. For thirty years, I pursued a career in the dental field, retired and became a "special needs" school bus driver for 16 years. Now being retired once more, I volunteer and focus on my passion of ESA.

David and I have been married for 38 years. We love to travel, have been active scuba diving, playing golf, biking, hiking and snow skiing in the great Colorado mountains. Can you believe I taught snow skiing for 18 years? Our Christian walk in faith has become a center focus for our family. Mission trips and volunteer work has become a passion. Someday, I would love to find the time to pursue my interest in photography.

The desire to make a difference was very strong and in 1997 I knew thru the partnership with ESA this would be full filled in me. Never did I realize the immense change ESA would make in my life and in my soul. The friendships of the most remarkable Ladies I have ever met and the close bond of sisterhood is unique and something I had never experienced before. I have been blessed with many personal highlights on this ESA journey. But these do not compare with the rewards received when I can be of service to you, my ESA Family and being of service to others in their time of need. A favorite quote of mine is: *"I shall not pass this way but once. Therefore, any good that I can do or any kindness that I can show, let me do it now, for I shall not pass this way again."*

By serving on the International Council Executive Board my desire is to encourage, mentor, challenge and inspire our membership to be their best. My ESA vision is of a strong and viable organization that makes a tangible difference in our association with each other, our communities and the world around us. I believe we have the hearts of compassion and a spirit of service to leave a magnificent legacy. Thank you for allowing me to have so much fun building special friendships and incredible lasting memories. I send Best Wishes for your ESA journey and Blessings Always.

Sandy Alexander

ESA International Council 1st Vice President, 2016-2017

Welcome to Pendleton
and the 71st Oregon State
Council 2017 Convention

My Eastern Oregon District sisters and I welcome you to the Red Lion Inn to "*Celebrate Oregon's Luau*".

After the long winter we've all been through I hope everyone is ready to have fun with us here in Pendleton. Personally, I look forward to learning new things and making some new friends. This is my very first ESA Oregon State Convention and I can't wait to see what it's all about.

I know we've worked hard to put it all together with the help of more experienced hands and I've heard stories along the way. I'm hoping the rest of you are as curious as I am about sharing what we've all been doing this past year in our chapters.

Aloha!

E Komo Mai (*welcome*) to beautiful Eastern Oregon,

Lori Ritter

Eastern Oregon District President
