A Basket of Joy in ESA

Melanie Wilson
Oregon State President

Holy moly what a wonderful convention! Everyone did such a wonderful job to make the weekend such fun! From the incoming board's time in 'jail' to learning about Evans Creek Camp and then such a beautiful banquet. I am so honored to have been installed as the 2026-2027 Oregon State president.

I will be going to Norfolk Virginia for IC Convention, and I am so excited to experience my first IC Convention! I have already made so many wonderful friends from the IC President's retreat and I am excited to see them in Norfolk. I hope I can be a great representative for our wonderful state!

This year will be a blast! We already have so many ideas and will be planning so much more at the board retreat in August. I am so excited to have the first ever state meeting in Burns! What an adventure it will be! It is the same weekend as the county fair so there will be lots of exciting activities and events! We have so many new stores and don't forget we have a quilt store!! Please plan on coming to Leadership in September!

Chris and I are set to close on our new home the end of May! We are so excited! We can't wait to show it off in September! We will also be getting a grandbaby around the middle of September! So many wonderful things happening!

I hope everyone has a wonderful summer and I can't wait to get to work bringing all the Joy and Fun to ESA!

See you soon!
Melanie Wilson

What an amazing State convention! Organizing the Candidates Fair was a real treat, and it wouldn't have been possible without our dedicated ESA Morning After Police Department. Let's give a big shoutout to Sandy, Melissa, Kim, Jill, and Linda for their extra efforts in making this event a success. Our new Executive Board showed off their creative side by playfully "contributing to the delinquency" of a fellow member - helping me out more than they knew - and coming up with some great ideas for going to jail. Thanks to everyone for dressing the part!

The weekend was packed with highlights: capturing evidence, snapping mug shots, locking the board up in jail, inspiring guest speakers, camp donations, catching up with friends, delicious food, top-notch tech support, beautiful centerpieces, installations and awards, and the ceremonial changing of the gavels. It was such a blast that the weekend flew by in the blink of an eye.

I'm thrilled to see what the new year holds. My Chapter is already buzzing with exciting ideas for Mel's theme "Basket of Joy in ESA." We're delighted to welcome the blooming flowers, bright sunshine, and clear blue skies as we take our baskets and step into this new year.

Kari Engdahl
2nd Vice President

I am honored to serve as the 2026-2027 2nd Vice President for Oregon. I can't wait to see what our executive board plans for this upcoming year. I look forward to identifying and preparing future leaders for next year's officers, so if you are interested in a position just let me know. I am committed to supporting Mel's Theme of "A Basket of Joy in ESA" with dedicated teamwork, sharing kindness and strengthening our organization. I hope I have time to connect with other chapters and districts within our ESA Family.

Enjoy your Summer and I'll see you in September at Leadership!
Kari Engdahl,

Marsha Klosterman
Workshop Coordinator

I am excited to be working with President Mel on workshops this year. I hope to produce fun, engaging and educational information. Everyone should be excited to take something useful away from them. The one thing I need help with is audience. We need people to come to state meetings. Good information isn't helpful if you aren't there to hear it!

So, on that note, please put Sept 12-13 on your calendar, fill out the registration found in this Grapevine, and send it in. We are already planning a great weekend in Burns.

Carolyn Warren
Corresponding Secretary

How can we be starting another ESA year already?

It was great to see everybody, so much catching up and laughter. I can't wait until we get together again at Leadership.

Speaking of Leadership, as Melanie and I get ready to start off the year and the big job of putting her President's Yearbook together, I'd like to remind all Chapters & Districts that if you didn't bring or send me your updated Rosters yet, please do so by June 15th. You may either email them to me at ciwarren@charter.net (preferred method) or drop them in the mail to 1202 NW Keasey St, Roseburg, OR 97471.

I look forward to hearing from you and if I don't, please know that I'll be calling on you.

Jean Forsman
Junior Past President

What an amazing Convention, I had such a great time, I hope you all did too. Thank you to all of the great people that planned it. Especially Kari Engdahl, I know you put in a lot of hours, it was beautiful.

Gavels, thank you for accepting me in, wow, so many wonderful gifts, I hope I didn't miss any of you with a thank you card. It's taking me a bit to get them out. If I missed you, I just want you to know that I truly appreciate your kindness. I should have asked someone to record who brought what, I was totally overwhelmed.

I'm working on some new ideas for raising money for the disaster fund. If any of you have some good suggestions, please send them my way. I will continue with the ESA apparel and other items so please, while you're spring cleaning and find some you no longer want, put them aside for Leadership. Every little bit helps. I'll continue with the books too, because I enjoy sharing reading with all of you. If you have a book you'd like to share by all means add it to the pile.

I'm really looking forward to Leadership in Burns; I see a fun road trip in our future!

I again have the pleasure of serving as the Foundation chair. As your chapters and districts are writing those checks to renew dues, I'm asking them to consider joining the foundation.

Dues are $40 and payable on the IC website. There are already some chapters and districts who are members. My goal is to get 100% participation and now is the time to have those conversations.

It is a great way to show support to our organization. The State of Oregon is already a life member.

"Gathering Joy Through Life's Storms"

Thank You to the Oregon ESA Members!!! This year We raised a total of $2,506.07 for the IC Disaster Fund. These funds will help other ESA Members spread Joy through every season of life. I'm Thankful for Jean spear heading the fundraising for the Disaster Fund this year. We couldn't have raised this amount without you.

Kari Engdahl

Chris York will be taking the Oregon purse for ESA Foundation to IC the end of July. So... there is still time to make a contribution. Money or gift cards are welcome.

Please send to Chris at 899 NE 90th Avenue, Portland, OR 97220.
Thank you!

KEEPING GOOD THOUGHTS

Jenni Dickinson's mom not recovering well after a recent hospital stay. Let's send happy thoughts to Jenni and her Mom. 436 W. Elm, Roseburg, Oregon 97471

Unfortunately, Mother's Day was not so happy for Donna Cassidy, Delta Xi. She had a fall and broke her right arm. She will have surgery on Friday May 15th. Let's keep her in our thoughts and prayers.

And congrats to both Carolyn Warren and Melanie (Swan) Wilson. Both going to be grandparents in the near future.

Hello my ESA family,

I want to Thank You for your support at State Convention, And all the hugs.

I so wanted the installation to be special for my sweet Mel. I guess it was in a different way,

Thank You again for understanding.

Our committee is meeting very soon, and we want to reach out to see if anyone has concerns, we need to be addressing on **guidelines, policy and procedures and bylaws.**

Email Connie, Sandy, Donna, Kathy State, or Debbie so we can review concerns.

Thank you for reviewing your positions.

2027 IC Convention "An Oregon Road Trip"

Plans are busily being made in preparation of 2027 IC Convention "An Oregon Road Trip". We'll be in Portland July 14-17, 2027, at the Embassy Suites at Washington Square in Tigard.

Please work within your Chapters and Districts on ways to help as many as possible be able to attend some or all of Convention to experience the culmination of the ESA year. This is a great time to meet and connect with ESA members from other areas. It's also a wonderful resource for ways to grow ESA in your area.

Connie Russell and Chris York, Convention Co-Chairs, are scheduled to meet with the IC Committee on August 28 and 29 at the Embassy Suites.

All committees with table decorations must ensure that a sample of each is gathered and presented ahead of time for consideration.

Growing Together Through Change

A special thanks to everyone for your patience, flexibility, and positive spirit as we work together through one of the biggest reporting changes our organization has experienced in many years.

At our Winter Meeting in February - only three short months ago - we learned the way we document and share the incredible work our members are supporting in our communities was changing. We began moving from a paper-based reporting process to an online electronic system, while also introducing monthly check ins to help keep information current and visible throughout the year.

While change can feel overwhelming, this new system gives us an exciting opportunity to better highlight the impact our ESA members make every single day. Real-time reporting helps showcase projects as they happen, keeps important details organized, and allows us to tell the story of service more accurately across our state and chapters.

I want to recognize the incredible efforts of our Chapter Service Reporters. Many have stepped into this new process with little time to prepare, learning new technology, navigating updates, answering questions, and continuing to support their chapters in every possible way. **Judy** is absolutely correct that mileage is tied to the member who is driving their vehicle. Your dedication to our communities and members, patience with myself and the process, and willingness to learn something new have not gone unnoticed. Thank you for all the extra time and care you have given during this transition.

As with any new process, there is still room for learning and growth — and that is okay. We are learning together, supporting one another, and building a stronger system as we go forward. Yes, I am staying on for this year to help where I can.

To help move us forward, IC has scheduled a Service Reporting System Support Meeting for Thursday, May 21 at 4:00 PM PST via Zoom. These meetings are meant to be a comfortable, open space where members can ask questions, work through reporting concerns, and gain confidence using the system. Bonus - IC has made training videos available in the ESA Education Center.

Please continue to ask questions, review the training resources, and stay curious throughout this process. Every conversation, question, and shared experience helps all of us grow stronger together.

Thank you again for your continued commitment to service and for the care you show your communities and fellow members every day.

Beta Omicron, Burns

Melanie Wilson, our ESA Oregon State President, made the front page of the Burns Times Herald this week with news on her installation and up-coming year. We were able to get a fun, informational article in with the help of a 'calling card' Anne Scissons made each Beta Omicron member when she was President of our chapter before moving to Albany. We look forward to Melanie's energy and her positive outlook on life and ESA.

We have some very big, very good news for our chapter - Sister Barb Moss and her family is moving back to Burns at the end of May. We are all so excited.

The address of our member, Petrina White, who lost both of her parents (Dean's parents) about a month ago, is:

Delta Xi, Portland

Delta Xi has enjoyed another year - spending time together, raising money to support our philanthropic endeavors and attending state meetings together.

Nine of us attended the convention in Coos Bay in April. A fun and informative time! Great job Alpha Psi and Kari!

We sold out of our tickets for our annual Sun River raffle. Thanks to everyone who supported us by buying tickets. Congratulations to Nancy Reid who won this year.

We also had a successful plant sale and are set for our coming year. Next up preparing for the St Jude Walk/Run in September at the Portland Zoo.

Our outstanding member this year is Chris Dole, our cheerful and tireless delivery driver carting our donations to Sno-Cap and our food to Transition Projects sites.

On Tuesday, May 12th we met at Elmers for our installation. New officers were installed by Jr Past President Kathy Darnielle. They are JoAnne Barber, President, Donna Cassidy, Vice President, Chris York, Secretary, Pat Stupur, Treasurer, Malinda Remington, Educational Director.

We will have our planning meeting in June and then have the summer off until September.
See everyone at Leadership in Burns in September.

Delta Gamma, Florence

In April, our new slate of officers were installed by our own sister & Oregon State President Jean Forsman.
We are all looking forward to another wonderful year.

Just saying, the appetizers & Margaritas were incredibly tasty.

Alpha Zeta, Eugene

We met Wednesday, May 13th, at the home of Sandy Diess for our monthly meeting. We had much to discuss after enjoying Yumm Bowls for lunch. We finished our meeting and enjoyed our new officers' installation.

Installation was given by Marsha Klosterman. Our new panel of leaders are: Gena Adair - President
Mona Ayers - Vice President, Su McDonnel – Secretary, and Melissa Gillam – Treasurer.

Australia Convention

Two of our Oregon State members, Connie Russell and Pam Hughes, joined the group traveling to Australia for their convention.

The convention was May 1-3, Redcliff, Queensland with their State President Judy Jesshope. Convention's theme was Get Your Redcliffe Fix in 26. There were 16 ESA members from across the USA attending with Celeste Webb IC President, leading the group. There are five chapters in Australia and all were represented at convention. There were 23 members from Australia at the convention. They welcomed us with gifts, love, and laughter and made us feel extra special and made sure we had the time of our lives.

It was awesome to hear all about the money they have raised and all the hours they have spent raising funds for their local charities. We will forever feel a connection with these remarkable members. We took Oregon hazelnuts and saltwater taffy to thank them and invite them to Portland for 2027 IC Convention. Several said they were hoping to come

What a Blast We had at Happiness is Books, Tea and ESA on the Bay!!! Can You believe that it has been a month since Jean's 2026 Convention at the Ko-Kwel Resort and Casino??? To be honest, I still have items in my car to put away.

Lynda Edwards, IC Past President, was introduced at our "You've Been Booked" Friday Night Mixer hosted by Beta Iota and Gamma Beta. Patty Anderson's Criminal Candidates Faire was full of excitement. I'm so glad her officers were able to wrangle in those criminals for the weekend. Saturday "Steeped in Stories"

Luncheon was hosted by Alpha Psi and the highlight were the stories we heard from our Guest Speaker, Laura Pierce of Evans Creek Retreat an Easterseal Camp. Melanie Wilson was installed as the 2026-2027 Oregon State President by Barbara Moss at the "Baskets of Joy" Banquet hosted by Beta Eta.

We ended our weekend with our Celebration of Life and "Stories of Joy Worth Celebrating" Brunch hosted by Southwestern District. It was a busy weekend and We all survived!! Ko-Kwel Resort and Casino was an amazing venue, and the food was scrumptious.

Thank you, Southwestern District, for hosting, We are Awesome!!!
