## State President

Happy New Year everyone!

Happy New Year everyone! The year 2020 was bittersweet ... I'm glad it's over, but it seemed like it never happened ... like stepping off the bus too early or finding ourselves at the wrong stop. Maintaining enthusiasm has been a real challenge, but planning for the next year brings high hope. All we can do is to keep moving forward, knowing that eventually we will get to our destination. Just think how exciting it will be to see each other in person again! Oh the hugs we'll give and receive!!

Please be sure to write Winter Meeting on your calendar for Saturday, February 20. We plan to start at 10:00 am, but will probably open earlier so you have a chance to chat with each other first. On the agenda will be a fun workshop presented by our energetic Workshop Coordinator, Patty Anderson. Also on the Agenda will be the list of candidates for 2021-2022, information regarding the 2021 State Convention and other important reports. You won't want to miss it!

Linda Gratteri

## **1<sup>st</sup> Vice President**

It is finally a new year! I know it has been a challenge to recruit members in 2020. However, we do have two members who have joined in this ESA year and were not reported in the last issue of the Grapevine. They are Mikki End, Delta Epsilon, LaGrande and Angie Nielsen, who joined on-line.

Although I know we will all be so happy when we can see each other face to face again, there are new ideas we can use now to enjoy each other & continue to recruit new members. Below you will find information provided by our IC Membership Chair, Tracy Swanson:

### **Mar 26: ESA national Bingo recruitment party/demonstration**

This online Bingo event will demonstrate how to use free Bingo card generator and Bingo number calling software so chapters can host a fun party for members and guests. Anyone may attend but must individually register to receive instructions: [www.epsilonsigmaalpha.org/ESABingo](http://www.epsilonsigmaalpha.org/ESABingo). Registration deadline is **March 12<sup>th</sup>**.

### **Ideas for safer Valentine's Day activities**

[www.epsilonsigmaalpha.org/ESALife](http://www.epsilonsigmaalpha.org/ESALife).

I will be attending the virtual ESA Leadership Conference Feb 26-27<sup>th</sup> as your incoming State President. This is a reminder that any ESA member can now attend the meeting. Information is available at [www.epsilonsigmaalpha.org/Leadership](http://www.epsilonsigmaalpha.org/Leadership).

Our ESA year is moving rapidly and I am beginning to appoint State Board Committee positions. If you have an interest in any of these positions, please contact me. I would love to get you involved in 2021-2022.

Debbie Sanguras

## 2<sup>nd</sup> Vice President

Well, this year didn't start the way I thought it would. That being said, Oregon ESA members have really been stepping up and volunteering to run for an elected board office. This is going to be a fun board! I mean, really! With Debbie as president, how could it not be fun? If you would like to join in the fun, you can still volunteer as the deadline is February 1<sup>st</sup>. If you are a chapter president and know of someone in your chapter who would be a great addition to the board, please let me know.

Now is the time to start thinking about submitting your Chapter for the Outstanding Chapter Award which is due April 1st. The Outstanding Chapter Award Guidelines as well as the Officer Nomination Form are in the state yearbook and available on line at [www.oregonesa.org](http://www.oregonesa.org). You can call me at 541-991-7906 or contact me by email at [julie541@msn.com](mailto:julie541@msn.com).

Finally, I would like to thank all of you for your prayers, thoughts, paper cards, e-cards, texts, and emails wishing my James a speedy recovery. His heart may be mending, but it is filled with love and thanks. I am also doing very well. My kids, family, friends, and my Delta Gamma Sisters keep me balanced.

Hugs to you all!  
Julie

## Jr Past President, Disaster Chair

I hope this finds all of you doing well. I personally had a really hard time writing this article. I want to be positive and uplifting for my sisters, yet am having a hard time feeling that way these days. I think we need each other more than ever. I can't wait until we can see each other in person again. I won't know exactly what to do. I'm not sure where my makeup kit is, and I realize I pretty much wear the same 2 or 3 outfits all the time. We won't mention whether the scales are reading differently.

Anyway, I do have a concern about the Disaster Fund. I have only received 1 donation this year so far. I know some chapters do these donations in Feb, but looking back at past years, there had been a steady stream. I will have a basket for Winter Meeting and Convention that hopefully people will support. Anyway, I look forward to seeing you on ZOOM at Winter Meeting.

Marsha Klosterman

## Treasurer

What a "Journey of the Heart" 2020 was, our journey took many of us through ups and downs, through love and fun but also through heartbreaking paths. I want to take a quick moment and thank you all for your love, support, and kind words with the passing of my parents. Mom loved the cards and out pouring of love, I feel fortunate she introduced me to ESA. I knew without a doubt that you were all there if we ever needed anything and I feel truly blessed to have everyone of you on this Journey of life with me.

But as ever true, a new day comes and we start again, for that is our purpose in this life. Continue on, making each day a little better for our family, friends, and all who need us

Thank you, Connie

## Treasurers Report

Chapter Presidents and treasurers please confirm you have paid IC DUES, they need to be paid so your chapter can vote at convention. I have a list if you are unsure. I can always contact [brendsmeyer@gmail.com](mailto:brendsmeyer@gmail.com) with any questions.

A little housekeeping activity. Please be sure to check your roster in the presidents book and confirm it shows the correct member count for your chapter, then confirm you have paid state dues for every member. I have a few chapters that have paid for less than the roster count and guess what??? A few that have paid more, I think those chapters have new members but I just want to send an accurate account to the credentials committee. Thank you for your help with this update.

Included below is a treasurer's report. Please contact me if you have any questions or concerns.

## CORRESPONDING SECRETARY

Hello all.

Hope you had a good holiday even with all the COVID restrictions. Hope you are ready for our ZOOM WINTER MEETING. It will be good to see all your smiling faces. Remember the date is February 20<sup>th</sup>.

So good to hear that we are actually planning a real person to person Convention in Hood River in June. Looking forward to that for sure.

Remember if you have any other corrections to Linda's Yearbook please let me know and I will get the information out. In the meantime stay safe and healthy.

### Alpha Omicron – Madras

Louise Muir PO Box 533 and home 113 SE F St, Madras OR 97741

Cheers!!!!  
Pat Stupur

**Editors Note: From Pat - As the cost of Linda's yearbook was only \$7.25, please let me know if you feel you may have paid too much. Thanks Pat you**

## Workshop Chair

What a year it has been!!

Thank you to all my ESA friends for joining us for the workshop to make sure we could all ZOOM into the year learning new things. Congratulations to our two workshop winners Jill Rankin and Marsha Klosterman. Your prizes have arrived at my place and will be headed your way at the end of the month.

As we all Zoom to Winter Meeting and take our next adventure on our "Journey of the Heart", we will be approaching our next workshop a little differently. You will see an email titled "Adventure Challenge" in February. It will be your "homework" for the Winter Meeting. There will be a deadline. This will result in a winner that will be selected by a panel of my choosing. There will be another winner selected LIVE during our Zoom Winter Meeting. Can't wait!

## Easter Seals Chair

Hello to all of you out there. As I write this the sun is shining in my window and my spirits are lifted up. It's been a pretty dreary stretch. I am hoping for a few more days with some sunshine or at least not much rain so I can go outside and trim plants a bit. The weather has been warm enough that a lot of things are sprouting out ready for spring already. Ha! Little do they know.

I am hoping that Easter Seals will be able to share in our Winter meeting with a video or a virtual visit. It's a little early to tell about tulips and golf tournaments but I am sure they have something up their sleeves that we can help with.

Just a reminder that your Chapter's Easter Seals Report is due to me by April 1<sup>st</sup>. You can find it on page 38 of the State President's yearbook. I am hoping to get one from all of you but I know about expectations and won't hold my breath. Just will keep on hoping. You can send it to me, Karen McNeil, at 6694 SE Furnberg St., Milwaukie OR 97222, or email to [mcneilka13@gmail.com](mailto:mcneilka13@gmail.com).

You can call me if you have ?'s at 503-724-0020 or text me at that same number. Please know that I don't always answer my phone if I don't know who is calling so please leave a message, and I will get back to you.

Hope your days are filled with sunshine.

Karen McNeil

## GAVELS AUXILIARY

Although the Gavels haven't been meeting during this pandemic, we still have been taking care of business. Just recently, we had a virtual vote on the ESA Foundation bylaw changes and we have also prepared for our 50/50 ticket sales. Remember, this project is a fundraiser for scholarships to help our Oregon students so please support us as much as you can. The tickets are still only 6/\$5.00, or you can get a packet of 18 for only \$15.00. If you would like to get some, please contact me or any member of the Gavels and we will be sure to get them right out to you. The drawing will be held during our State Convention in June. Thank you.

Joy Serkowney  
Gavels Chair

## Parliamentarian

The Policy and Procedures for the Oregon State Council have been updated as approved by a vote at the Oregon State Convention in 2020. The changes are concerning Convention, Leadership, and Winter Meeting. They should be added to your copy of the By-laws and Standing Rules in your 2020-2021 President's Year Book. If you have any questions, please contact me.

Kathy State  
Parliamentarian/Documents Chairman

**Editor's Note:** Complete copy of Policy & Procedures is saved on the ESA Oregon Website.

## EDUCATIONAL PROGRAM - "Journey Of The Heart"

Are you having fun with your chapter's educational program? Have all the members of your chapter participated? Hopefully, most of your programs have been completed by now because the time to do them is getting short. All you need are 6 programs to qualify for the Gold Link award or up to 9 programs if your chapter wants to compete at the IC level. And remember, all yearend educational reports must be sent to me postmarked no later than April 1st.

I am so looking forward to seeing what you have done this year and what benefit it has been to your chapter. Please don't let the submission deadline pass!

Joy Serkowney  
Educational Director

## Philanthropic Chair

To chapter philanthropic chairmen: please continue to keep good count of your chapter members' philanthropic hours, miles, and monetary contributions. It is a good way to keep in touch with members. This is a difficult time to be in charge of philanthropic endeavors. Be creative and enjoy 2021.

# Chapter Check-ins

## Delta Xi, Portland

Happy New Year to all. We hope that 2021 is going to be a much better year for all and that we can soon meet in person again. Delta Xi has tried to make the best of the year and are conducting our meetings through ZOOM. That has been a learning experience for many of us, but we are getting better at it. By the time this has finished, we will be professionals.

We have been busy with providing meals for both the HIV Day Center and Jean's Place. We provided items to Easter Seals for Vet Kits, and have also clipped coupons for Hope for Heroes. Snowcap received items for Christmas Stockings along with some cash donations. The children at Trillium also received many Christmas gifts. We designate a couple of drop off spots and when the items are there, someone picks them all up and delivers them. We try to limit contact as best as we can.

Our Christmas Party was much different this year. We celebrated via ZOOM. We toasted each other and shared our secret sister gifts. It was so fun to see each other's smiling faces. We hope it won't be long that we can gather together in the same room.

Kathy State

## Delta Gamma, Florence

Since we were not able to hold our 'in person' annual auction, our major fundraiser, we decided to do a Facebook and letter writing campaign. We succeeded beyond our wildest dreams! We will be able to help many people in need and this is the year for it. The DG Sisterhood thanks all of you who helped us to help others!

Please save this date November 13, 2021! We are already booked to hold our Annual Auction at the Florence Events Center.

The Delta Gamma Sisterhood has been able to keep in touch through our ZOOM meetings. Lots of laughs and friendship, plus we get the work done, as well!

Julie Rassmann

## Alpha Upsilon, Hillsboro

**Charlie Brown**, Lucy, Shroeder, PigPen, Linus, Snoopy, Woodstock, the rest of the gang and even the Red Baron have kicked out the year 2020, forever and welcomed in a very hopeful 2021.

Early in the year, 2020, **Diane Lewis** donated a 5 day vacation at the Oasis in Palm Springs, CA. Information/fliers were distributed and bids taken. AND THE WINNER IS: **Sandy Kucera**, our AU member in Arizona!

This past year gave us an opportunity for much giving by our chapter. At one time, it seemed all of Oregon was on fire! About 290 homes were lost in the community of Otis on the central coast. We were fortunate to be able to help 2 single people, a family of three, and a couple,. A friend of our **Pearl Lushina's** daughter, Jenny, had a friend who lost everything in the Otis fire. We were happy to be able to assist these Otis residents, Reuben and Liana Elizando with Safeway cards, Christmas decorations, two home-made quilts and envelopes of money from our members. Liana now has a new job as a flagger (often a very dangerous job). We were also happy to also help Detroit Firemen from our Families in Need.

As a chapter, we continued to meet through ZOOM, although we prefer in person and face to face, hug to hug meetings. We need to meet, for real, for our mental health, right?! For now, we continue to support one another through **Acts of Kindness**, benefiting **Easter Seals**, calls to one another, sending cards, and recently we have initiated monthly bidding on items donated by members. A photo is shown of the item and we all can bid on it. It's fun and it benefits **Easter Seals** too!

Also, Charlie Brown and the gang (includes us) were so happy for the **Hope for Heroes** Christmas present by the return of Army National Guard, Delta Co. 2-162, Infantry! Please keep them and their families in your prayers as well as all our servicemen and women. Join us too as we all pray for a COVID-free world! So wear your mask/shield, wash hands often and most of all, stay well and be kind to everyone.

Patsy McLean, Publicity Chair

**Editors Note: I'd like more information on the monthly online auctions.  
Are you doing this through email? Facebook? How?**

## Alpha Zeta, Eugene

Since last we met, we have had more disasters to round out the year of 2020. Our December Christmas party was short and sweet as we are a bunch of “old girls” and are not anxious to get COVID or to pass it on to others. Consequently, we met under Joy Serkowney’s covered patio, exchanged gifts and cards and went our respective ways without the benefit of food and drink. It was fun to see who our Secret Sisters were and just to see each other again.

We continue to collect pull tabs for dialysis and coupons for Hope for Heroes.

We continue with our educationals. In January we traveled with Su, Sandi B and Becky. We were fortunate to visit Italy with Su, Egypt with Sandi B. and Panama with Becky. These ladies painted wonderful pictures of their individual “bucket list” journeys. It is such fun to visit these countries through the eyes of the traveler! Now we are looking forward to the journeys we will take with Joy, Sandy D. and Jayne.

For our meeting on January 13, 2021, we met once again at Joy Serkowney’s covered patio. This way we can keep our distances, wear our masks and Have our meeting. It was sunny once again but CHILLY!

I have included some photos for your edification. As you can see, we are cold.

In February we hope to continue with our educationals. A river cruise in Germany is involved. In that month, we are, also, looking forward to a WVDC meeting and our state Winter Meeting via Zoom.

The first two weeks of January have been interesting, to say the least, so we are looking forward to 2022!!

Hope you all had a Happy New Year and are healthy. See you on Zoom.

Covid Safe Meeting

## **Delta Kappa, Hood River**

Oh, what a year it has been! Hopefully all of you were able to spend some time with your family during the holidays, whether in person or virtually. At this time, anything we are able to do for our communities and/or citizens is of the utmost importance as everyone is being hurt by this pandemic one way or another.

In our last issue I mentioned awards received by some of our members but was unaware of a couple of them: First Place for Circle of Life, Third Place for Easter Seals and Hope for Heroes participant. Congratulations again ladies!

Although we did not meet in December, "Santa's elves" were busy decorating Christmas trees for Brookside Manor and Memory Care. Residents couldn't have trees indoors because of COVID so we decorated trees outside their windows so they could enjoy them. They were so appreciative and that made our day -- lots of smiles! In fact they are still up until the end of the month since the staff said the residents are really enjoying them.

We were also able to bring smiles to children in our area by participating in the Les Schwab "Helping Hands" Drive. The barrel was empty when we arrived and full when we left!

Currently we are providing several birdfeeders/birdseed at Brookside Manor for their residents. They have had a couple of COVID cases and can't leave their rooms so hopefully this will be some entertainment for them.

This was the first year we participated in the "Helping Hands" Drive and Brookside Manor and we hope to continue.

Be safe and watch out for one another!!

# And then she said...

well, I think I'm OK but every now and again .... It's gone on so long and there doesn't seem to be much in sight to end it and... I almost jumped my UPS driver the other day for a hug!

...so, I just try to stay busy. I've **found some purpose to my days**. I hate to walk but I know I should. I sleep better when I'm tired and I get tired when I do something physical. And, it's not just my body but my brain. TV won't do it! I've tied puzzles; both word and picture puzzles...And I read. Oh, my goodness, there's no end to the places I can go and the things I can get into and out of and the personalities I can meet and... it just doesn't end. I love that are *'other worlds'* in a book!

I'm **staying connected** to people I know. **I've travelled to places I never thought I'd go** on the internet. Surprising how entertaining that is and where it leads because I can go ANYWHERE and see anything I want.. even in a foreign language the pictures are amazing! I actually set my iPhone alarm for ½ hour increments so I don't sit all day and forget I can walk upright! I've **planned the trip** I'll take as soon as this is over. Working out the details now, as a matter of fact.

I miss **hugs**. Oh, gosh, I **miss 'real' hugs**. Like I said.. good thing I've known my *'brown man'* for years. He'd understand, but still....

I quit letting myself sleep til I got up. **I've set my alarm so there's a beginning and an end to my days**. That helped. I found my inner clock wasn't working so well without defined parameters and I'd sleep so late I didn't much see the point of getting up. But I'm still not dressing every day and have no idea if my bra will ever be filled again.

I've wanted to get **a cat or a dog**. It's not out of the question but not really feasible for me with a son with allergies. I still might though...

**Eating regular meals** is advised. Right. Like that's realistic for me. I am trying though.

I do watch the news at least once a day... but, not at night. It's good to be informed but no need to dwell on what may change before morning.

Mostly I **reach out to friends and loved ones** at least three times a week if not more. Hearing their voices is lovely and warm and I know we walk together in our hearts.

***"No matter what assaults the human heart and deadens the mind...  
it won't sever the HOPE as long as heartfelt words  
can reach out and grab hold of a friend to laugh with."***

## Winter Meeting 2021

When: Saturday Feb 20, 2021  
10:00 am start time, end time TBA

Where: At your home through ZOOM

Agenda to come

Sure would be wonderful if we had 100% membership attendance!!

## Convention 2021

When: To Be Announced

Where: Best Western Plus Hood River

Stay Tuned for more information to come

## IMPORTANT!!!

We are looking into rescheduling our State Convention from April 23-25 to a later date. This will give a little more time in which to get the vaccines to those who need it and for the state to open restaurants and other venues. It will still take place at the Best Western Plus Hood River Inn. We desperately need to see each other in person, and we are hoping and praying for this long-awaited reunion!

**Editors Note:** Per Linda - Changing the date has nothing to do with the cutoff dates for chapter reports. **All reports are still due by April 1.**
